WORK EXPERIENCE

Project: One-Bedroom Apartment, Full Interior Design

- Designed a complete interior for a one-bedroom apartment, focusing on functional and aesthetic solutions.
- Selected furniture, materials, and finishes according to the client's preferences and budget.
- Created detailed floor plans and 3D renderings to present the concept.

Project: Private House, Kitchen Remodel, Columbus, TX

- Participated in the development of a design project.
- Created 3D visualizations and all architectural plans [including electrical, plumbing, installation, dismantling, wall elevations, etc.] using ArchiCAD and Lumion software.
- Maintained communication with clients and the project team.
